End		
Installation completed.		
Document Producer Version 6.00.12 has been successfully installed.		
	E <u>x</u> it	

- Select **Exit** to complete the installation.
- The software installation is now completed.

2. Software Installation Verification

- Open Galileo Desktop
- If a Galileo Desktop Toolbar Error is received when you open Galileo Desktop after the installation, you can download the Galileo Desktop Toolbar Fix for your Galileo Desktop Version from the following URL: <u>https://www.travelsoft.co.za/documentation.htm</u>
- S Ensure the Document Producer Plus icon is showing on the Galileo Desktop Toolbar:

Click on this icon to open the Document Producer Plus software. If the software opens without any error messages then the software has been installed correctly.
